It doesn't seem to be working. I've never seen it come through this way. Can you explain or just send it to me as a PDF and I'll sign it. You can also send as a word doc because I can convert it.

Subject: URGENT - ROUTING: South Fork Windfarm Final OCS Air Permit

Here is the final routing package for the South Fork Wind final OCS air permit. OAR has concurred on our approach to proceed with permit issuance. The RTC document has been updated since your last review, specifically for our response to comments II.A and II.B. Please review and concur on the routing slip. Once everyone signs off, I will forward the pdfs to Deb for signature and permit issuance.
